INSIDE THE PREMIER DEVELOPMENT IN COSTA RICA'S SOUTHERN PACIFIC

With its dramatic coastal mountains that meet endless ocean views, the southern Pacific of Costa Rica is the lucky proprietor to some of the world's most majestic scenery.

Perhaps nowhere is this more true than Costa Verde Estates, a premier development boasting over 1,200 acres of rainforest preserve. Nestled within this exclusive setting is the one-of-a-kind Casa De Luz.

Days at Casa De Luz begin with spectacular morning light over the ocean from your Master Suite,

Enjoy the peaceful moments from your private Master Suite loft, or even from your glass-walled shower or stately bathtub—commanding Costa Ballena views that stretch to the iconic Whale's Tail are never out of sight.

The large, open-concept space seamlessly flows to the outdoor covered patio, where a curved infinity pool wraps around the home's entire length
